The following items shall apply to the project in addition to the current specifications. This addendum shall become part of the official bid packet.

Failure to acknowledge the addendum by returning it as part of your bid and/or acknowledging its receipt on the bid packet signature page may result in your bid being disqualified.

Request for Information Response 1:

Question: Can the Kidde Model P3010L be bid as an approved alternate?

Answer: No. The Kiddie Model P3010L is not an approved alternate for the following reasons.

1. The First Alert model is half the size of the Kidde due to its design. The Canton Fire Department will need less space for storage.
2. The First Alert model is new on the market and has a state of the art patented smoke entry system. It has nuisance free technology against false alarms.
3. The First Alert model deciphers between serious and minor smoke detections.

At the time of this addendum there are no approved alternate smoke alarm models that may be bid.

Invitation to Bid Change 1:

Replace page 7 (proposal page) of the Invitation to bid with page 3 of this addendum.

****The remainder of this page has been left intentionally blank****
